WSK Asia 2012

Dear Friends of Karting,

Renovatio Motorsports is pleased to announce that applications to race in the WSK Asia 2012 races are now open!

The inaugural **WSK Asia series** will consist of 2 championship cup races in 2012 - the WSK Malaysia Race and the WSK Singapore Race.

Following the single championship events for 2012, the 2013 calendar will revolve around a 3-4 race championship series across the region.

The 2012 season opener will be the **WSK Malaysia Race**, which will be hosted at Sepang International Circuit (SIC) kart track on **22-23 September 2012**.

As a sporting event, WSK Asia intends to be a series to host the best young racing talents from around the region with the aim, that through corporate scholarships, there will be an opportunity to allow talented youths to train with a European factory team or participate in one of WSK's season ending events - an beneficial experience that would help provide further insight to the professional levels of motorsports.

Thank you for reading my letter!

And thank you in advance for any interest in our racing series – attached are the registration forms as well as regulations.

Should you have any queries, please do contact me.

Julian Lee
